

THE SNAIL'S PACE OF AFA NEGOTIATIONS

AFA likes to promise that it can quickly negotiate a first contract for Delta flight attendants — but check the record on where they are at with just renegotiating existing contracts. Whether it's representing 200 to 25,000 flight attendants, AFA has failed to quickly reach agreements for open contracts at other airlines.

UNITED — December 2021
25,000 flight attendants

OMNI — June 2022
300 flight attendants

AIR WISCONSIN — August 2022
200 flight attendants

ALASKA — September 2022
3,000 flight attendants
